I. INTRODUCTION

1h

1.1 Opening remarks [Speaker: Diogo Abry Guillen, Banco Central do Brasil]

Mr Diogo Abry Guillen, Deputy Governor for Economic Policy of the Banco Central do Brasil (BCB), will open the Workshop and welcome the participants.

For information

1.2 Introduction [Speaker: Bruno Tissot, Chairperson]

The Chairperson of the Working Group on Securities Databases (WGSD), Mr Bruno Tissot, Bank for International Settlements (BIS), will present the overall objectives of the workshop.

Documentation

- Presentation – Item 1.2 – Introduction

II. RECOMMENDATION 4 PROJECT PLAN: IMPLEMENTATION PLANS AND PRACTICAL COMPILATION GUIDANCE 3½h

For information

2.1 Recommendation 4: State of play [Presenter: Remigio Echeverría, ECB]

The Task Team Co-Chair, Mr Remigio Echeverría, European Central Bank (ECB), will present the state of play of the Recommendation 4 project plan and an overview of the self-commitments that G20/FSB economies provided for green listed shares in the written consultation in December 2024–January 2025. Task Team members will be invited to provide feedback regarding implementation aspects of the planned work items.

Documentation

- Presentation – Item 2.1 – Recommendation 4: State of play
- Overview of self-commitments for Recommendation 4 reporting templates on green listed shares

For discussion

2.2 Survey results on economies' Recommendation 4 implementation plans [Presenter: Johannes Kleibl, ECB]

The WGSD Secretary, Mr Johannes Kleibl, European Central Bank (ECB), will present an overview of G20/FSB economies' Recommendation 4 implementation plans regarding data sources, the use of security-by-security data, compilation approaches, and implementation timelines. Task Team members will be invited to provide feedback on the presented plans and related implementation challenges.

Documentation

- Presentation – Item 2.2 – Survey results on economies' Recommendation 4 implementation plans
- Overview of economies' Recommendation 4 implementation plans

For discussion

2.3 Practical guidance on compiling statistics for green listed shares [Presenter: Johannes Kleibl, ECB]

The WGSD Secretary, Mr Johannes Kleibl, European Central Bank (ECB), will present practical guidance for compiling climate finance statistics for green listed shares, including information on existing commercial data sources, guidance on the practical implementation of the 2025 SNA definition for green equity, and the use of security-by-security data for compilation. Task Team members will be invited to provide feedback regarding the presented guidance and share experiences and challenges with the compilation of data for green listed shares.

Documentation

- Presentation – Item 2.3 – Practical guidance on compiling statistics for green listed shares

III. EXCHANGE OF EXPERIENCES WITH SECURITIES AND CLIMATE FINANCE STATISTICS – PART 1 1h

For discussion

3.1 Ongoing and planned work on climate finance statistics

Two economies will present their ongoing and planned work on climate finance statistics for debt securities and/or listed shares, including experiences with data sources and data collection aspects, the compilation of statistics, the use of security-by-security data, and user needs on climate finance data. Task Team members will be invited to share their views on these topics.

Documentation
